EUROSIM 2023: **Simulation for a** **Sustainable Future**

June 28-30, 2023

Amsterdam, The Netherlands

The 11th edition of the EUROSIM Congress is dedicated to a sustainable future. And there is no better place than Amsterdam for celebrating the link between simulation and sustainability. You will be pleased to discover the fascinating and vibrant city of Amsterdam, a hub for many sectors such as logistics, ICT, art, financial and business services, fashion, and many others.

Authors are welcome to submit their contributions to the following, but not limited to areas such as:

- Agent-Based Simulation
- Methodology
- Supply Chain Management, Logistics & Transportation
- Industrial Case Studies
- Complex, Intelligent, Adaptive and Autonomous Systems (CIAAS)
- Data Science for Simulation
- Environment and Sustainability Applications
- Gaming
- Healthcare Applications
- Hybrid Simulation
- Manufacturing Applications
- Military Applications
- Simulation in Education
- Simulation-Optimization
- Advanced Tutorials/workshops from academics and industry, PhD Track and many more...

Paper deadlines and requirements:

The congress encourages researchers and practitioners to submit their original contributions as:

- Discussing paper (2-page extended abstract); peer-reviewed; accepted for presentation
- Full paper, (max 8 pages); peer-reviewed; accepted for presentation; published in the Congress proceedings; considered for journal publication.

Instructions, information, submission forms, and procedures are available on the **EUROSIM 2023 website** www.eurosim2023.eu. Each accepted contribution requires a paid registration.

Important dates:

- Extended abstract/ Full paper submission deadline: 30 November 2022
- Notification of acceptance: 28 February 2023
- Final paper submission deadline: 31 March 2023
- Early bird registration deadline: 30 April 2023
- Last call for registration deadline: 31 May 2023
- EUROSIM Congress 2023: 28-30 June 2023

Submit your paper HERE: <https://easychair.org/conferences/?conf=eurosim2023>

Proceedings and journal opportunities:

All accepted full papers will be included in the EUROSIM Congress 2023 proceedings; outstanding papers will be invited for submission to the special issues to one of the journals affiliated with the EUROSIM Congress 2023:

- Simulation Notes Europe
- SIMULATION: Transactions of the Society for Modeling and Simulation International
- Case Studies on Transport Policy and others

Conference Board:

General Chair:

Dr. Miguel Mujica Mota, Amsterdam

University of Applied Sciences, EUROSIM
President

Program Co-Chairs:

Prof. Arnold Heemink,

TU Delft

Dr. Paolo Scala,

Amsterdam School of International Business

Dr. Margarita Bagamanova,

Amsterdam School of International Business

Dr. Abdel Makhoulfi,

Urban Tech Amsterdam University of Applied
Sciences
